 - Condition
- Shoes/ Socks**
- Unusual Features**

These illustrations represent some of the many observations that are helpful to law enforcement. It is NOT a checklist of features and traits you must see before calling law enforcement to report suspicious activity! If you witness suspicious people or situations, call the non-emergency phone number, 262-886-2300, and provide as many details as you safely can.

DO NOT PUT YOURSELF IN HARM'S WAY!
